

# Material Safety Data Sheet

Hand Cleaner Paste, Waterless 25 Kg Pkg (RXSOL-16-1001-025)

## 1. Product and Company Identification

Product Name : HAND CLEANER WATERLESS - 25 Kg jar  
Product Type : RXSOL-16-1001

### Company Details:

RX MARINE INTERNATIONAL  
105, A wing , BSEL , TECH PARK.  
VASHI ,NEW BOMBAY 400703 INDIA

Phone : +91 22 65113333 / 5555 / 9999  
Fax : +91 22 2781 1318 ::AOH :0091 9821214367  
Email : [mail@rxmarine.com](mailto:mail@rxmarine.com)

## 2. Composition / information on ingredients

| Chemical Name                  | Concentration | CAS Number | EC Number | R Phrases* | Symbols |
|--------------------------------|---------------|------------|-----------|------------|---------|
| Fatty Alcohol eth Oxylate      | 1-5           | 34398-01-1 | 500-084-3 | 41         | Xi      |
| Coco Fatty Acid Diethanolamine | 10-30         | 61791-31-9 | 271-657-0 | 38, 41     | Xi      |

\*See Section 16

## 3. Hazards Identification

Odour : Fruity odour

Appearance : orange, gel, partly soluble in water

Contact with eyes : Prolonged exposure may cause abrasive irritation of the eyes

Ingestion : Not regarded as a potential route of exposure.

## 4. First Aid Measures

Contact with skin : Not applicable

Contact with eyes : If substance has got into eyes, immediately wash out with plenty of water Irrigate eyes thoroughly whilst lifting eyelids Seek medical attention if irritation persists

|            |                                                                                                     |
|------------|-----------------------------------------------------------------------------------------------------|
| Ingestion  | : Do not induce vomiting , Give water or milk to drink Seek medical attention if ill effects occur. |
| Inhalation | : Not applicable                                                                                    |
| General    | : Not hazardous                                                                                     |

## 5. Fire-fighting Measures

- Non combustible
- Not flammable. In case of fire use extinguishing media appropriate to surrounding conditions

## 6. Accidental Release Measures

|                           |                                                         |
|---------------------------|---------------------------------------------------------|
| Personal Precautions      | : No special precautions are required for this product. |
| Environmental Precautions | : No special precautions are required for this product. |
| Clean Up Actions          | : Flush spill area with copious amounts of water.       |
| Special Precautions       | : No special precautions are required for this product. |

## 7. Handling and Storage

|          |                                                                                       |
|----------|---------------------------------------------------------------------------------------|
| Handling | : No special precautions are required for this product.                               |
| Storage  | : Store at ambient temperature. No special precautions are required for this product. |

## 8. Exposure controls and personal protection

|                                |                                                         |
|--------------------------------|---------------------------------------------------------|
| Exposure Limits                | : No exposure limits have been set for this substance.  |
| Exposure controls              | : No special precautions are required for this product. |
| Occupational exposure controls | : No special precautions are required for this product. |

## 9. Physical and chemical properties

|            |                                       |
|------------|---------------------------------------|
| Odour      | : Fruity odour                        |
| Appearance | : White, gel, partly soluble in water |

Boiling point &gt; : 100 °C at 760 mm /Hg

Vapour pressure : Not known

Vapour density : Not known

Freezing point : 0 °C at 760 mm/Hg

soluble in water : Fully soluble in WATER

Specific gravity : (water=1) 1

Flambality : Non combustible

## 10. Stability and reactivity

- This article is considered stable under normal conditions

## 11. Toxicological information

Toxicological information : No experimental data available

Inhalation : Not applicable

Contact with skin : In cases of severe exposure, redness may develop

Contact with eyes : Causes irritation

Ingestion : The ingestion of significant quantities may cause gastro-intestinal disturbances

Carcinogenicity : No evidence of carcinogenic effects

## 12. Ecological information

Ecotoxicity : On available data, substance is not harmful to aquatic life.

Mobility : Partially soluble in water.

Persistence and Biodegradability : The components in this product are readily biodegradable.

Bioaccumulation Potential : Bioaccumulation of the components in this product is insignificant.

Other Adverse Effects : Presents little or no hazard to the environment.

## 13. Disposal considerations

Classification : EU Waste class

Disposal considerations : No special precautions are required for this product

## 14. Transport information

- Not classified as hazardous for transport

## 15. Regulatory information

Classification and labelling : Not classified as hazardous for users

Risk Phrases : Not applicable

Safety Phrases : Not applicable

## 16. Other information

Cosmetic Products:

Ingredients (INCI name) : Aqua,COCOAMIDE DEA ,Undeceth-5 ,Polyethylene ,Sodium laureth sulphate ,Orange terpene Glycerol

Steareth : 20

Methacrylate Copolymer : Glycine

N-(hydroxymethyl) : Monosodium salt

Text of R and S phrase codes used in this safety data sheet:- R38: Irritating to skin; R41: Risk of serious damage to eyes. The information provided about the product on this Safety Data Sheet has been compiled from knowledge of the individual constituents. The data given here is based on current knowledge and experience. This Safety Data Sheet describes the product in terms of safety requirements and does not signify any warranty with regard to the product's properties. The data given here only applies when product used for proper application(s). The product is not sold as suitable for other applications - usage in such may cause risks not mentioned in this sheet. Do not use for other application(s) without seeking advice from manufacturer.

DISCLAIMER OF LIABILITY :The information in this SDS was obtained from sources which we believe are reliable. However, the information is provided without any warranty, express or implied, regarding its correctness. The conditions or methods of handling, storage, use or disposal of the product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the product. This MSDS was prepared and is to be used only for this product. If the product is used as a component in another product, this MSDS information may not be applicable.
